2. Sew three 2" x 20" sashing strips to the pieced set from step 1—one between and one on each side of the set. (figure 4)
3. Sew a 2" x 16" sashing strip to the top and another to the bottom of the pieced block from step 2. (figure 5)
4. Repeat steps 1-3 with the remaining windows and sashing to make a total of nine blocks.

## Quilt Top Assembly

5. Arrange the blocks in three rows of three blocks each.
6. Sew together the blocks in each row, then sew the rows together, matching adjacent seams.

## Finishing

7. Layer the quilt top, batting and backing and quilt as desired.
8. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
9. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
