Block Construction
All seam allowances are 1/4” and pieces are sewn right sides together. Note that each tree block uses one background template and one background template reversed.

1. Stitch a CM5969 Cream Template 1 (T) to each side of a CM5970 Pinecone Template 4 (D) (figure 1).

Fig. 1

Press the seams toward the tree. Sew a 3 1/2” x 4 1/2” C5500 Green (W) rectangle to the bottom of the tree unit. Press the seam toward the base of the tree (figure 2). Make a total of twenty-eight tall trees.

2. Repeat step 1 sewing a CM5969 Cream Template 2 (M) to each side of the Template 5 medium trees. Press the seams toward the tree. Make a total of sixteen medium trees.

Quilt Top Assembly
5. Referring to the Quilt Assembly Diagram for placement and orientation, lay out five rows of twelve blocks each. Number the rows for easier assembly.
6. Stitch the blocks together in each row, matching adjacent seams. For the sashing, sew the four 1 1/2'' x LOF CM5965 Black strips together end to end matching the print. Measure the width of the first row and cut four strips that size. Sew a sashing strip to the bottom of Rows 1, 2, 3 and 4.

7. Stitch the rows together in numerical order. Press the seams in one direction.

8. For the border, sew the five 2'' x WOF CM5965 Black strips together end to end matching the print. Measure the width of the quilt top through the center and cut two strips that length from the pieced strip. Sew one strip to the top and the other strip to the bottom of the quilt top. Press seams toward the border.

9. Measure the length of the quilt top through the center. Cut two strips that length from the pieced border strip. Sew one strip to each side of the quilt top. Press the seams toward the border.

**Finishing**

10. Layer the quilt top, batting and backing, and quilt as desired.

11. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.

12. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
