Total yardage for 1 quilt (not including backing): 12 1/2

Tonga bolt estimates are based on a standard 14-yard bolt. Estimates shown with an asterisk (*) would require exactly 14 yards or an exact multiple of 14 yards. In these instances, you may wish to order an extra bolt.

Estimates also assume that each kit will have only one cut of each fabric. It may be possible to use fewer bolts for some fabrics if you don't mind having two cuts of one fabric in a single kit.
