- Cut eight 3" x WOF strips for outer border.

Block Assembly

All seam allowances are 1/4" and pieces are sewn right sides together. For ease of handling, stack and label patches by fabric and blocks by letter.

1. Draw a diagonal line on the wrong side of each 2 3/8" B7900 Air square. Following Figure 1 for direction, sew along the marked line. Stitch one square to each corner of all the 5" squares. Trim seam allowances to 1/4" and press toward corners. Make 168 units.

- To make the horizontal sashing strips, alternately sew together seven 1½" square B5971 Fire cornerstones and six 1½" x 9½" B7900 Air strips. Repeat to make eight sashing strips.

Quilt Top Assembly

- Following the quilt photo and Quilt Assembly Diagram for block placement and orientation, lay out seven rows of six blocks each. Add a 1½" x 9½" B7900 Air sashing strip on each end of the row and between the blocks. Sew the blocks and vertical sashing strips together in each row. Press seams toward the blocks.
- Sew a horizontal sashing row between each row and at the top and bottom, matching adjacent seams. Press the seams toward the sashing.
- To make the outer border, sew eight 3" x WOF B7900 Air strips together end to end using diagonal seams. Sew a border strip to each side of the quilt top center and trim the extra length. Press the seams toward the border. In the same manner, stitch one border to the top and another to the bottom of the quilt center and trim the extra length. Press seams toward the border.

Finishing

- Layer the quilt top, batting and backing, and quilt as desired.
- Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
- Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
