

## Woven in Faith

The 2019 Tapestry collection features 15 printed cotton fabrics inspired by batik designs. Rich classic tones in tan to almond lights with accents of gold & purple are nested in a palette of burgundy, navy and olive. The Woven in Faith project panel (Panel JT-C 6903 Linen) and 8 coordinates from the Tapestry collection are used to make the Woven in Faith quilt.

Finished Size: 73" x 90"
