**Cutting**

All templates are cut right side up from a single layer of fabric. The grainline indicates crossgrain. Treat fabric with spray starch or a starch alternative before cutting to help keep bias edges from stretching.

- Cut thirty-two each of Templates 3, 4, 5 and 6.
- Cut four each of Templates 7 and 8.

**From Zephyr-CM5704 Dune:**

- Cut six 2 1/4" x WOF strips for binding.

**Quilt Top Assembly**

All seam allowances are 1/4" and pieces are sewn right sides together. Press seams open.

5. Following the quilt photo, sew the Halo blocks together to make the quilt top.

Finishing

6. Layer the quilt top, batting and backing, and quilt as desired.

7. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.

8. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
